### REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance:

The primary reference Dinkins (U.S. 6,042,128) discloses as previously discussed.

Applicant's arguments filed May 4, 20001 with his amendment (Paper No. 7) are persuasive.

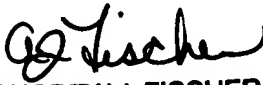

Dinkins does not disclose the upright releasable spacing limitation means being releasable so as to laterally collapse the trailer merely by releasing the upright releasable spacing limitation means. A combination of these and the other recited features was not reasonably found in the prior art.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

### *Conclusion*

2. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Andrew J. Fischer whose telephone number is (703) 305-0292.
